

Lead Carpenter Position

Northlight Custom Builders, LLC Mukilteo, WA

We value craftsmanship, communication, relationships, processes, and continuous improvement above all else.

We have an experienced and professional field team of project leads, carpenters, and apprentices. We provide well-defined scopes of work, plan sets, technical drawings, renderings, realistic schedules, and budgets. We have an amazing preconstruction team including sales, design, and project management. We have interesting projects and top-notch clients. We offer excellent benefits and career progression. Compensation is based on your experience and qualifications.

Job description

We are seeking experienced full-time professional lead carpenters for residential remodeling projects. We build square-foot additions, whole home remodels, kitchens, bathrooms, detached accessory structures, decks, and outdoor living spaces throughout north King and south Snohomish counties.

Qualified applicants must be able to:

- Manage daily operations on a project
- update a provided project schedule
- Schedule and supervise trade partners
- Reference and apply IRC including prescriptive framing
- Take-offs and order materials from plans
- Follow a detailed scope of work
- Layout and assemble typical wood framing
- Install windows
- Install interior and exterior doors
- Install cabinets
- Install interior trim
- Install siding and exterior trim
- Provide own tools and transportation
- Work alone and in teams
- Minimum of 3 years of residential carpentry experience
